Dear Salt River Schools Families,

Salt River Schools **does not charge families for meals**, even if they did not meet the eligibility requirements for free and reduced meals. The Community graciously covers these costs to ensure all students are provided healthy meals every school day.

During the 2021-2022 school year, Salt River Schools will participate in either the National School Lunch Program, School Breakfast Program, or the Summer Feeding Program. This means all students will receive free meals during the entire school year. No applications are needed thanks to the Community Eligibility Program and the guidelines of the Summer Feeding Program.

No further action is required of you. Your children will be able to participate in these meal programs without having to pay a fee or submit an application.

If your family needs food assistance outside of school, the Supplemental Nutrition Assistance Program or other programs may be available. Please contact your local assistance office or call 855-432-7587.

If you have questions or need assistance, call Food Services at 480-362-2077.

With gratitude,

Shannon Reina
Food Services Manager
